Twenty-eight models of aircraft used in Antarctic expeditions, including those used by FIDS and BAS. Models and their card labels have been photographed. There is also a photograph of all the models in their display case.

1. Bell model 212 (UH-1N) helicopter
2. Lockheed P2V-7LP Neptune airplane. This model has an aerial detached.
3. Kaman UH-2 Seasprite helicopter
4. Sikorsky CH-19 (HRS-3) helicopter
5. Bell model 205 (UH-1J) helicopter
6. Douglas R4D-8L airplane
7. Noorduyn Norseman MK. 5 airplane
8. De Havilland DHC-6 Twin Otter airplane. This model has broken landing gear.
9. Pilatus PC-6 Turbo Porter airplane. This model has broken undercarriage.
10. De Havilland DHC-2 Beaver airplane
11. De Havilland DHC-2 Turbo-Beaver airplane
12. De Havilland DHC-3 Otter airplane
13. De Havilland Fox moth airplane
14. Auster Autocrat airplane
15. Sikorsky S.51 (Dragonfly) helicopter
16. Bell Model 47D (Sioux) helicopter
17. Westland Whirlwind HAS MK10 helicopter. This model has an aerial detached.
18. Ford 13-A Trimotor airplane
19. Westland Wasp helicopter
20. Beechcraft Model 18 (C-45) airplane. This model has an aerial detached.
21. Supermarine Walrus MK.1 amphibious bi-plane
22. Consolidated PBY-5 Canso amphibious airplane. This model has an aerial detached.
23. De Havilland DHC-2 Beaver airplane
24. Sikorsky HH-52A helicopter. This model has a loose rotor and a tail rotor blade detached.
25. Douglas R4D-5L (Dakota) airplane
26. Lockheed LC-130R Hercules airplane. This model has a detached rear door support.
27. Bell H-13 helicopter
28. Noorduyn JA-1 Norseman airplane

**Physical description**

- **Summary**: Model
- **Material**: Plastic
- **Condition**: Some models require repairs - see individual listings.

**Copying record**

- **Reference number**: wa_md9.jpg

**Copyright**

- **Specific part**: Photographs of models
- **Organisation**: Owner
- **Name**: N.E.R.C.

**Location**

- **Permanent location**: Landing outside Room 187
- **Permanent location**: Archives Service Area of Central Digital Data Store (digital data)
- **Note3**: folder wa_md9 (photographs of models and labels)

**Acquisition**

- **Accession number**: 2011/48

**Archival processing**

- **Person**: Cataloguer
- **Role**: Bazeley-White, Ellen Alexandra
- **Date**: 2011.05.11
- **Free field**: Work outstanding
- **Type3**: Catalogue editing

**Conservation**

- **Person**: Volunteer
- **Role**: Bazeley-White, Jeremy
- **Work done**: Light dusting
- **Date**: 2011.05.11
